BIDDERS ARE REQUESTED TO RETAIN THESE SPECIFICATIONS, CONDITIONS AND INSTRUCTIONS FOR FUTURE REFERENCE.

I. GENERAL INFORMATION

- A. These instructions, conditions, and specifications are in addition to and are part of the instructions and conditions that appear on the printed Bibb County Schools' "BID SHEET" form and shall govern the selections of the items listed.
- B. All bid forms shall be signed and dated by the vendor. If not signed and dated, it will be considered as non-responsive to the bid request.
- C. The Bibb County Schools may not award on the basis of low bid only. Quality, conformity with specifications, purpose for which required, terms of delivery, terms of payment, transportation, dates of delivery, past service, and experience are among the factors that may be considered in determining the responsive/responsible bidder.
- D. In the event the low bidder(s) refuses to accept the entire requirements without deviation, their bid will then be considered non-responsive. After refusal by the first bidder, the bid may be awarded to the next lowest bidder.
- E. Specifications are written as if in full detail. Use of specific names and numbers is not intended to restrict the bidding of any seller and/or manufacturer, but is solely for the purpose of indicating the type, size, and quality of materials, products, service or equipment consideration best adapted to the Board's intended use.
- F. Vendors shall bid on all items within the specified group/category. It is the intent of the Bibb County Schools to award the bid by groupings/categories or as a total package bid award, however, the Board reserves the right to award the bid in any manner, which will best serve the interest of the Bibb County Schools.
- G. The successful bidder shall guarantee all material and labor for a period of not less than one (1) year against defects of material or workmanship. The guarantee shall be dated from the time of acceptance. The successful bidder shall replace any material proved to be defective (except when it is clearly shown that the defects are caused by misuse and not by the manufacturer) immediately upon notification. Additional warranty considerations may be a factor in the bid award.

- H. The Bibb County Schools is tax exempt from all tax (Tax I.D. 63-6000764). This statement in no way is to be construed as relieving the seller or contractor from their tax obligation.
- I. Bids delivered in Federal Express, UPS, or any other such deliverer's envelope shall be sealed in a separate envelope inside the deliverer's packaging. The bid name, number and bid opening date shall be written on the outside of deliverer's envelope. Failure to do this may cause the bid to be inadvertently opened and thus rejected.
- J. Discrimination on the basis of sex, race, age, religious belief, disability, national origin, or ethnic group is prohibited in all procurement activities of the Bibb County Schools.
- K. Bibb County Schools encourages contractors and suppliers to utilize minority business enterprises when providing goods and/or services. Minority business enterprises are those businesses controlled by individuals who are members of a minority group and include African Americans, Hispanic Americans, Native Americans and Asian Pacific Americans.

II. METHOD OF AWARD

- A. The Bibb County Schools reserves the right to accept the lowest bid on all items combined from one bidder or any feasible combination of bids by items from different companies that result in the low bid.
- B. The award will be made to the lowest responsive and responsible bidder or bidders meeting requirements and specifications. Bidders will be responsible for furnishing all product requirements, requested on the bid, to the individual schools and other various locations within Bibb County.
- C. In the event the low bidder refuses to accept the entire requirements in a category without deviation, his bid may then be considered non-responsive.
- D. A refusal by the first low bidder may result in the bids being awarded to the next low bidder meeting requirements and specifications.
- E. The Bibb County Schools reserves the right to accept or reject any or all bids.
- F. The award will be made in accordance with Code of Alabama 1975 Section 16-13 B-1- B-11.

- B. The purpose of this is to establish a 12-month contract with an option to issue four additional 12-month contracts under the same pricing, terms and conditions. The four additional 12-month contracts, if requested by the School Board and agreed upon by the vendor, would begin the day after the previous 12-month contract expires. Any successive contract must have the written approval of both the School Board and the vendor no later than 30 days prior to the expiration of the previous contract.

IV. PRICING

- B. Bidders are cautioned that to incur financial obligations by purchasing materials not normally stocked for this bid will not be reason for reimbursement of costs incurred.

VI. METHODS OF PURCHASING

Once the bid is board approved, a letter will be issued to the awarded vendor(s). This letter does not authorize purchases of material or equipment. Purchase orders will be issued as authorization for all purchases. If the supplier fails to deliver items within the time specified, Bibb County Schools reserves the right to award the bid to the next lowest responsible bidder.

VII. BACK ORDERS

- A. Items temporarily out of stock shall be a minimum. When this occurs, the CSFO or designated representative may determine the method used to obtain such items. Alternative procurement methods will only be utilized for temporary shortages.
- B. If items are out of stock, the CSFO will be notified, as early as possible, in writing. Excessive backorders will be grounds for contract cancellation.

VIII. CANCELLATION

Bibb County Schools reserves the right to cancel this contract upon seven (7) days written notice.

IX. DEFAULT

- A. If at any time the vendor makes a delivery that is not in accordance with the instructions, conditions, and specifications set forth by the Bibb County Schools, without the consent of said Bibb County Schools, such delivery shall constitute grounds for the cancellation of the contract and/or removal of this vendor from the Bibb County Schools' mailing list, for not less than one (1) year.
- B. Any vendor issuing any type of gift, stamps, premiums, or other type of favor to any employee of the Bibb County Schools shall constitute grounds for the cancellation of the contract and shall be excluded from the mailing list of all purchases of the Bibb County Schools.

X. INDEMNITY

The responsible bidder shall indemnify and hold harmless the Bibb County Schools, its officers and employees from all loss, claims, suits or actions of every kind and character made upon or brought against the Bibb County Board of Education, its officers and employees for or sustained by any party or parties as a result of any act, error omission or negligence of said responsible bidder or its servants, agents and subcontractors; and also from all claims of damage in fulfilling this contract.

- G. Where both Instructions To Bidders (ITB) and Special Conditions relate to the same thing, the Special Conditions will prevail; that is, the specific language will take precedence over the more general wording, however, where both the ITB and Special Conditions may be given reasonable effect, both are to be retained.
- H. **The Bibb County Schools has the option in place to make payments via Purchasing Card instead of a check for purchases from this solicitation. This form of payment significantly reduces payment time to three to five days once services are rendered and the invoice is submitted. Unless exception is noted in the bid response, the bidder, by submitting a bid agrees to accept the Purchasing Card as an acceptable form of payment and may not add additional services fees/handling charges to purchases made with the Purchasing Card.**

XII. MANUFACTURER'S NAME AND SUBSTITUTIONS

- A. Any bidder wishing to supply alternate equipment other than that specified shall submit a request for substitution to the Bibb County Schools at the Pre-Bid Conference **or at least two (2) days prior to the BID OPENING DATE if a Pre-Bid Conference is not scheduled.**

If any of the above changes would be involved, a layout of such changes and any additional cost (itemized) must be submitted with the request for substitution. If proposed substitutions entail additional cost which was not submitted with the request for substitution and approval is granted, bidders shall be responsible for such costs.
- C. **In addition, a request for substitution must be accompanied by the manufacturer's specifications and a "Substitution Request Form" which provides the Bibb County Schools with a detailed description of the manner in which proposed substitution conforms and/or varies from the item specified. No request for substitution will be considered without an accompanying "Substitution Request Form".**

- D. It is understood by the Bibb County Schools that no agent, dealer, broker or agency may bind a manufacturer beyond the manufacturer's own printed literature. Therefore, any party submitting a Substitution Request Form stating compliance with a feature specified for the prime specified item or as an option for that item in the manufacturer's literature, may be accompanied by a letter on the Manufacturer's own letterhead stating that the manufacturer shall comply with the specified feature and such compliance shall not adversely affect the manufacturer's product performance, reliability, durability, appearance or affect the warranty.
- E. If the substituted item is approved and subsequently installed and upon final inspection found to deviate from the specifications in a manner not detailed in the "Substitution Request Form", the Contractor shall, at the discretion of the School Board, bring the equipment into compliance with the specifications at his own cost. In consideration of the job stage at the time of final inspection, the Contractor shall take no more than 5 working days to make this replacement. Bidders are encouraged to review the replacement. Bidders are encouraged to review the "Substitution Request Form" prior to using such items in their bid. Awarded Contractor shall be responsible for deviations not detailed in the "Substitution Request Form" submitted FROM ANY SOURCE. Approval of submittals by the Bibb County Schools does not relieve the Contractor of this condition. The "Substitution Request Form" can be found at the end of this document.
- F. **No request for substitution will be considered after the Pre-Bid Conference or after 2 days prior to the BID OPENING DATE if a Pre-Bid Conference is not scheduled, except in instances where the item is no longer available. Notice of Alabama Immigration Law Compliance Requirements to all Contractors of LOCAL BOARD OF EDUCATION

As a Contractor, as defined in the Act, to the LOCAL BOARD OF EDUCATION (“Board”), it is critical to your relationship (future or continuing) with the Board that you comply with the Immigration Reform and Control Act of 1986, as amended by the Immigration Act of 1990, and Beason-Hammon Alabama Taxpayer and Citizen Protection Act. Accordingly, please provide your Affidavit of Immigration Compliance with attached E-Verify Memorandum of Understanding, as requested in the attached memorandum. If you do not believe these obligations apply to you, please notify the Board immediately.

Alabama laws require that, as a condition for the award of a contract by a school board to a business entity or employer with one or more employees working in Alabama, the business entity or employer must provide documentation of enrollment in the E-Verify program. During the performance of the contract, the business entity or employer shall participate in the E-Verify program and shall verify every employee that is required to be verified according to the applicable federal rules and regulations. **The contractor’s E-Verify Memorandum of Understanding must be included with the bid.** If you do not believe these requirements are applicable to your entity, include an explanation justifying such exemption. **If your company is not an Alabama based company or does not have employees that work in the State of Alabama, you must include in your bid package submittal, a memo on company letterhead stating this fact.** An entity can obtain the E-Verify Memorandum of Understanding upon completion in the E-Verify enrollment process located at the federal web site www.uscis.gov/everify. The Alabama Department of Homeland Security (<http://immigration.alabama.gov>) has also established an E-Verify employer agent account for any business entity or employer with 25 or fewer employees that will provide a participating business entity or employer with the required documentation of enrollment in the E-Verify program. An Employer Identification Number (EIN), also known as a Federal Tax Identification Number, is required to enroll in E-Verify or to establish an E-Verify employer agent account.

“By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the state of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.”

The amended law also changed the definition of SUBCONTRACTOR to “A person, business entity, or employer who is awarded a portion of an existing contract by a contractor, regardless of its tier.” Another provision states, “Furthermore, during the performance of the contract, the subcontractor shall participate in the E-Verify program and shall verify every employee that is required to be verified according to the applicable federal rules and regulations. This subsection shall only apply to subcontractors performing work on a project subject to the provisions of this section and not to collateral persons or business entities hired by the subcontractor.”
